- Desktop modem is shipped straight to your door & is easy to install
- Get online!

### Desk Modem — From \$50

This low-cost Desk Modem with WiFi is all you need to access your Mobile Citizen Internet service and make it available throughout your house.

All you have to do is plug it in.

\$50 refurbished or \$95 new + shipping & sales tax

\*This is a 4G WiMAX service provided by Clearwire/Mobile Citizen. It is not available in all areas. To determine eligibility go to <http://www.clear.com/coverage>. There is a one-time purchase of new modem for \$95 or refurbished modem for \$50 when you order. The service is easy to use, just plug in modem for instant access directly to your computer or to create an instant "hot spot."
